GENERAL INFORMATION

You received a voucher / code for your registration for the Vienna City Marathon / Half Marathon / Relay Marathon on April 22th, 2018. Please read the following information carefully.

Registration by use of a "registration code" is only possible online on www.vienna-marathon.com, the code number has to be entered during registration. Registrations sent in by post, fax or e-mail cannot not be accepted and/or processed.

- Each code number can be used only once.
- This registration code will guarantee your entry until **April 8th, 2018** midnight and will expire automatically thereafter.
- The registration deadline cannot be prolonged. It is not possible to redeem the bonus/code at the registration desk (no onsite registration).
- The **code number applies to the registration fee only** and does not include additional offers (e.g. T-shirt sale, prerace dinner = Kaiserschmarrn ticket, etc...)
- By using a voucher/code for registration, insurance for the case of illness CANNOT be affected.

REGISTRATION

- Turn to www.vienna-marathon.com Registration. Choose the correct event Search for **"SINGLE REGISTRATION"**, and follow the steps which will lead you automatically to the online registration system of **mika:timing**.
- Follow the further registration steps which will take you to "Bonuscode". Please enter your code. The payment system for the entry fee, at this point, will be deactivated.
- If you choose to take advantage of additional offers (i.e. T-Shirt sales, Kaiserschmarrn Tickets) your payment system will be automatically reactivated.
- Please make sure that your email address is given correctly, otherwise it will be impossible to mail the registration confirmation.
- Relay Marathon – **"SINGLE REGISTRATION for Relay"** Please create by the registration your login-data. You may change your registration data yourself by using the login-data. Afterwards a user account can only be created on request. This service is then payable.

TIMEKEEPING-CHIP (ChampionChip)

- Runners will require a "time-keeping chip" (= ChampionChip). If you have our own chip, please enter the chip number into the respective field.
- Since you don't own a ChampionChip, please decide whether you would like to rent or buy a ChampionChip for the timing.

If you decide to **buy** (35,00 EUR) a ChampionChip, it will be send to you within 14 days. You can then not only use it for this event, but also for other run-, bike- or triathlon-events worldwide.

If you decide to **rent** (6,00 EUR) a ChampionChip, it will be provided to you together with your starter package. Please return the ChampionChip undamaged at the Chip return after finishing the race. If you don't, we will consider the ChampionChip as bought and we will debit additional 29,00 EUR from your bank account or your credit card. Afterwards the ChampionChip belongs to you, and you can use it repeatedly for different events.
